

National Voter Registration Day takes place on September 17th, 2024.

Official
Information

Please use these talking points to encourage your community to register to vote and to let them know why their vote matters in the 2024 General Election.

- In the 2024 General Election, you have the power to create change. Don't let other people make decisions for you. Take control and Vote For It!
- National Voter Registration Day is on September 17th. Use your power. Voting is the best (and easiest!) choice you'll make all year. Go to PLAN.LAVOTE.GOV to make a plan to vote today.
- Whatever you believe in, there is something you can vote for in this election. You don't have to care about everything, but you can make your voice heard for something that matters to you most.
- The deadline to register to vote and receive a ballot in the mail is October 21st! Visit PLAN.LAVOTE.GOV to register and make your plan to vote today!
