

Official
Information

It's Election Season! Vote Today.

Voting? Done. It just takes minutes to return your ballot, so don't wait.

Here's everything you need to vote early.

Not registered yet? Register online at [PLAN.LAVOTE.GOV](https://plan.lavote.gov) by **October 19th** to receive a Vote by Mail ballot.

Got your ballot? You've got options:

-  **Drop it off:** 400+ Official Ballot Drop Boxes are open across L.A. County
-  **Vote in person:** Visit any L.A. County Vote Center. You don't need to go to an assigned polling place – any open Vote Center works
-  **Mail it back:** No postage required (mail before October 27 to ensure timely delivery)

Skip the lines, get it done, and wear that "I Voted" sticker before anyone else on your block.

Remember: returning your ballot before Election Day gives us more time to receive, process, and verify it—and gives your ballot the best chance of being included in Election Night results.

Find a Drop Box or Vote Center, check your registration, and make your plan at [PLAN.LAVOTE.GOV](https://plan.lavote.gov).
